

GA  EMORE

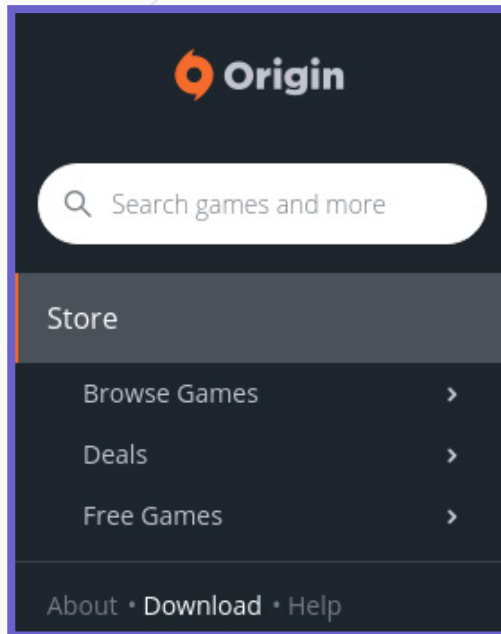

How to activate your game with Origin

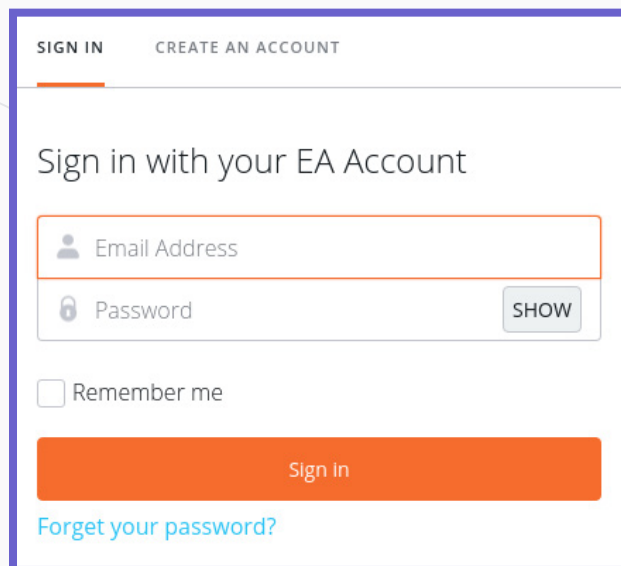

1. Go to origin.com

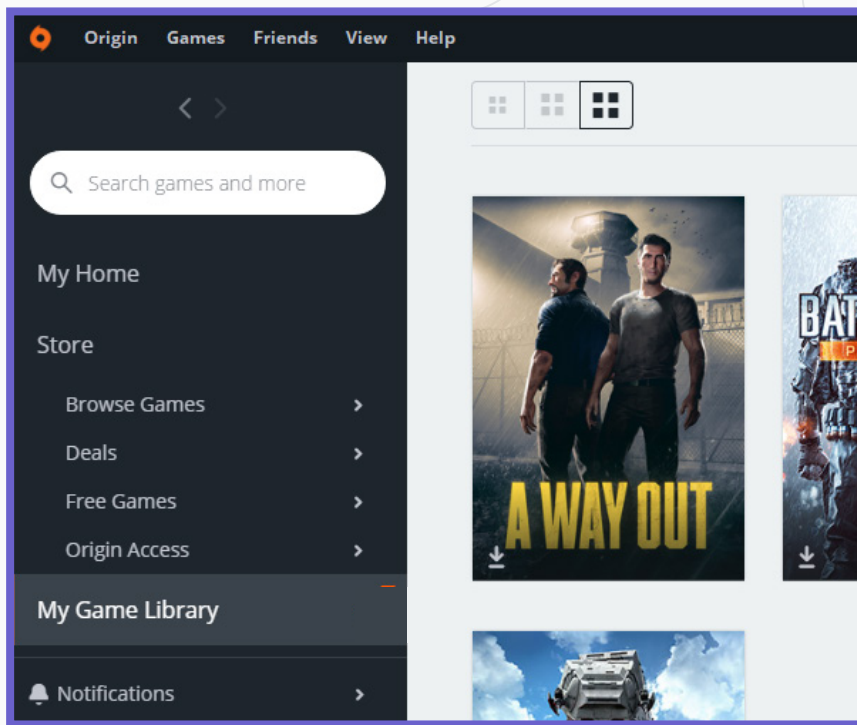

2. Click on "Download".

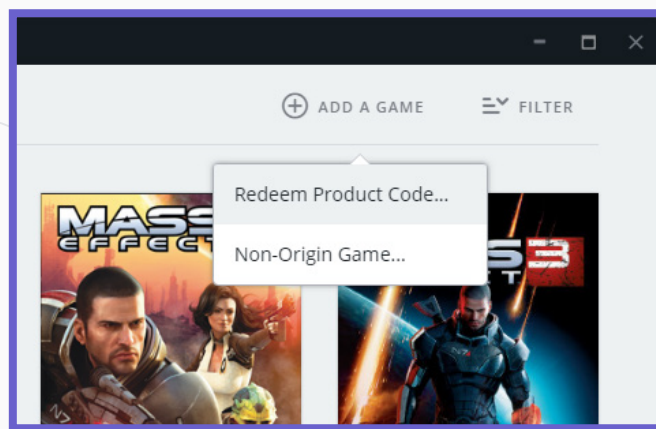

3. Once the client has been installed and running, login with your username and password.
(Create one if you do not already have one)

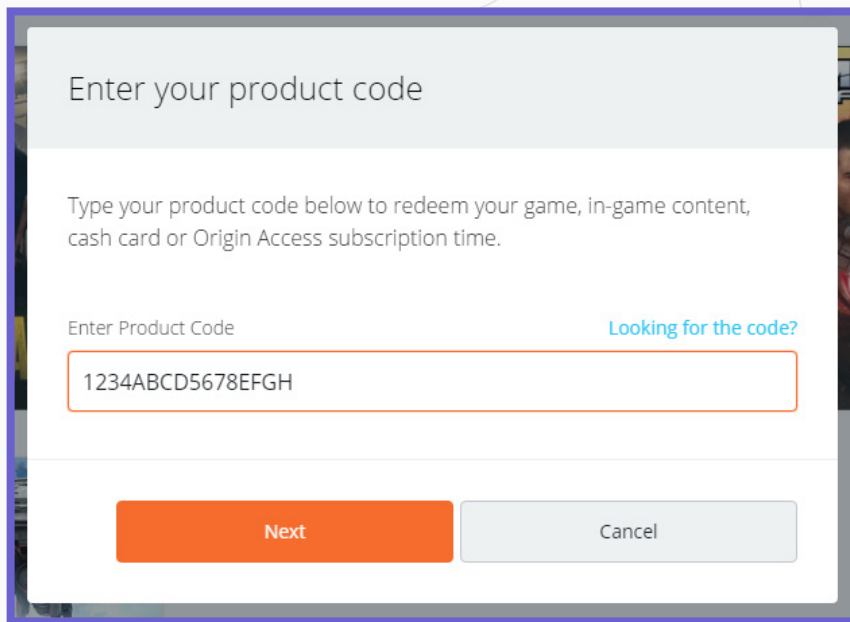

4. Once logged in, select the "Origin" tab in the left corner and click on "My Game Library".

5. Then select "Add a Game" and click on "Redeem Product Code".

6. A window will prompt you to enter the code you purchased on Gamemore.

Enter your product code

Type your product code below to redeem your game, in-game content, cash card or Origin Access subscription time.

Enter Product Code [Looking for the code?](#)

1234ABCD5678EFGH

Next Cancel

7. Origin will need a few minutes to approve your code.

8. The game is now visible on the list of all your games.

9. Press to start the transfer.
